LORNA G. SCHOFIELD, District Judge:

WHEREAS, a case management conference is scheduled in this matter for August 6, 2020;

WHEREAS, no significant issues were raised in the parties' joint letter or proposed case management plan. It is hereby

ORDERED that the August 6, 2020, conference is **cancelled**. If the parties believe that a conference would nevertheless be useful, they should inform the court immediately so the conference can be reinstated. The case management plan and scheduling order will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. The parties should be aware that the Court does not extend the deadlines for discovery absent compelling circumstances.
